### PRESIDENTS REPORT

I would firstly like to thank all members who attended our AGM on Tuesday 7 March 2023. Although only a handful attended we did have enough to form a quorum. Also to Mr Rollo Nicholson for chairing the meeting . For those who did not attend Mr Nicholson informed the attendees of the upcoming move of Richers Transport. Mr Richers is relocating out of town with his fleet of trucks due to the floods, therefore we will be looking for new premises. Please do not panic we have plenty of time. The Management Committee had a meeting with Mr Richers after the AGM to discuss our situation and all is good. He does not see anything substantially happening within 18 months to 2 years, however should anything arise he will keep us informed. We thanked Mr Richers for his continuing support for the Society.

Congratulations to all and I look forward to another productive and prosperous year. We did not however elect a PR member which we will be discussing at our first General Meeting which will be held on **4 April 2023 at 10.30am**, please remember this date as it is important that all our members know what is occurring at the gallery for the coming months and your input and suggestions are valuable to us all. I would like to thank Anaree Nelson for the great job she has done over the last 12 months, unfortunately she is unable to continue with this role, therefore we would require a member to take over this position. We have a member who has offered her services for the role of Grants Officer Jaquie Dodd and we thank her for her knowledge and support also to Jeanette Lewis who is managing our Website and doing a great job, thankyou

We wish all our members a great year, don't forget our Annual Art Exhibition at Gatakers Art Space.

### Upcoming Events:

Kerrie Dixon Workshops every 2<sup>nd</sup> Saturday

April Exhibition: Array of artists displaying in both galleries – Kerri Dixon, Elizabeth Dau, Michelle Valdiva, Owen Pointon, Lynn Munn, Jackie James, Tanya and Neil Kearin. An amazing array of diverse and talented works.
